

Congratulations

to STAIRMASTERZ INC. and co-owners *Tom & Janet Kimble* for your recognition as one of "Central Florida's Top Ten Entrepreneurial Companies to Watch in 2008".

STAIRMASTERZ INC. established in 1994 in Winter Park has emerged as the leading hardwood stair manufacturing and installation company in Central Florida. Numbering over 40 employees STAIRMASTERZ INC. provides curved and straight framed structures, rail systems and quality on-time installations to both custom home and production builders.

STAIRMASTERZ' recently developed paint, stain and finish department completes their menu of services available direct to homeowners and remodeling contractors within the 14 Central Florida counties. STAIRMASTERZ Orlando facility is home to the Stair Showroom & Design Center open to the public Monday thru Friday. Manufacturing facility tours are available by appointment.
